

Information Evenings

Overview

The Information Evenings throughout the country bring Victoria University of Wellington to your region. The aim of the evening is to inform students, parents and whanau about studying at Victoria University and living in Wellington.

You can find out about our full range of subjects, courses, degrees and student services, and gain an insight into what studying in the Capital City is all about.

These evenings are hosted by the Student Recruitment and Course Advice team and will include presentations from academic staff in our Faculties of Architecture & Design, Commerce & Administration (including Tourism), Humanities & Social Sciences, Law, Science, Engineering, New Zealand Music of Music and Education. It is a great opportunity for interested students, parents and other members of the public to receive in-depth information, ask questions and understand degree programmes for studying at Victoria University.

2011 Scheduled Sessions

Taranaki: Wed 15 June, 6.00 - 9pm, Plymouth International Hotel Centre, Courtney & Leach Street, New Plymouth

or further information on these sessions, please [contact us](#)
