

Okato & Opunake Adult Community Education

Code	Course	Tutor	Day / Time	Dates	Fee
OP401	Computer Clinic Suitable for absolute beginners or those wanting to advance their computing skills at their own pace. Use of the internet, basic system maintenance, virus, scam and spam protection, tips and tricks. Safe sensible use of the web, email, word processing, spreadsheets, publisher and basic camera imaging.	Andrew Hornblow	Tuesday 7 - 9pm	2 Nov - 23 Nov 4wks	\$40
OK401	Basic Beginners Dog Obedience Have you had enough of your dog causing you embarrassment in your home or outside the house environment? You will learn how to calmly establish yourself as the leader by giving your dog the signals it understands, while developing a better relationship with him/her. Participants must bring their own dog. Observers are welcome so there can be continuity in the home.	Pam Martin	Wednesday 5.30 - 6.30pm	20 Oct - 8 Dec 8wks	\$40
OK402	Jewellery Skills Have fun discovering traditional silver jewellery making techniques with a contemporary spin for the beginner or hobbyist. Make your very own simple yet stunning personalised textured silver ring and move on to design and make a piece of your choice, for example a hollow form pendant, brooch or ring, textured and shaped as you choose. Additional costs payable to Sally as required.	Sally Laing	Thursday 6.30 - 9.30pm	20 Oct - 24 Nov 7wks	\$175+
OK405	Te Reo Maori - Stage 1 Looking to learn Te Reo Maori and wishing to be able to greet people and introduce yourself in Te Reo Maori? This introductory stage 1 course is designed for those who have absolutely no prior knowledge of Te Reo Maori.	Bernie Edwards	Register your interest	Register your interest	\$40
OP402	Wood Work A chance to make wood projects in a friendly, helpful environment. You will gain confidence using the available tools and also read plans to make your chosen projects.	Peter Clement	Wednesday 7 - 9pm	20 Oct - 8 Dec 8wks	\$75+
OK403	Yoga for All Yoga for you! Catering for all levels, from total beginners to seasoned practitioners. Rid yourself of those aches and pains, feel healthier, look great and have fun! Participants to wear comfortable clothing and footwear and bring a water bottle.	Alex Rodger	Thursday 7 - 8.30pm	21 Oct - 9 Dec 8wks	\$60
WEEKEND WORKSHOP					
OK404	Jewellery Enamelling Come and learn the ancient craft of vitreous enamelling on copper or silver. You will learn how to apply glass to metal, fire it in a kiln, layer it with gold or silver foils and end up with a beautiful coloured pendant, earrings or small artwork to take home. Additional costs payable to Sally as required.	Sally Laing	Saturday & Sunday 9.30am - 4pm	4 & 5 Dec 2 days	\$135+
